Physical Education Grade 3

GRADE 3 PHYSICAL EDUCATION

Content Area: Physical Education

Course & Grade Level: Physical Education, Grade 3

Summary and Rationale

The fundamental basis for the physical education program is to develop positive attitudes and values with regards to students' physical well-being. Physical education is an integral part of the total education of youth as it stimulates opportunities for not only physical but academic development, creativity, developing human relationships, and building values. The program is based on student needs and interests and emphasizes the development of physical skills, leisure time and recreational activities; keeping with the goals and mission of our district. The program strives to provide an environment that promotes self-confidence through meaningful, challenging, and varied experiences.

Physical Education in Grade 3 places an emphasis on the development of basic body movement, gross loco-motor skills and rhythmics. The course emphasizes students to develop skills in sportsmanship and fair play, fundamental skills and techniques along with good body mechanics. Students are tested for their physical fitness and they are introduced to personal forms of conditioning and body development to practice and enjoy both in school activities and at home. The activities selected will be suitable to the season as well as the developmental appropriateness of the target skill.

New Jersey State Learning Standards for Physical Education

Standard 2.5 Motor Skill Development: All students will utilize safe, efficient, and effective movement to develop and maintain a healthy, active lifestyle.

Strand	A. Movement Skills and Concepts
CPI#	Cumulative Progress Indicator (CPI)
2.5.4.A.1	Explain and perform essential elements of movement skills in both isolated settings (i.e., skill practice) and applied settings (i.e., games, sports, dance, and recreational activities).
2.5.4.A.2	Use body management skills and demonstrate control when moving in relation to others, objects, and boundaries in personal and general space.
2.5.4.A.3	Explain and demonstrate movement sequences, individually and with others, in response to various tempos, rhythms, and musical styles.
2.5.4.A.4	Correct movement errors in response to feedback and explain how the change improves performance.
Strand	B. Strategy
2.5.4.B.1	Explain and demonstrate the use of basic offensive and defensive strategies (e.g., player positioning, faking, dodging, creating open areas, and defending space).
2.5.4.B.2	Acknowledge the contributions of team members and choose appropriate ways to motivate and celebrate accomplishments.
Strand	C. Sportsmanship, Rules, and Safety
2.5.4.C.1	Summarize the characteristics of good sportsmanship and demonstrate appropriate behavior as both a player and an observer.
2.5.4.C.2	Apply specific rules and procedures during physical activity and explain how they contribute to a safe active environment.

Standard 2.6 Fitness: All students will apply health-related and skill-related fitness concepts and skills to develop and maintain a healthy, active lifestyle.

Strand A. Movement Skills and Concepts

CPI#	Cumulative Progress Indicator (CPI)
2.6.4.A.1	Determine the physical, social, emotional, and intellectual benefits of regular physical activity.
2.6.4.A.2	Participate in moderate to vigorous age-appropriate activities that address each component of health-related and skill-related fitness.
2.6.4.A.3	Develop a health-related fitness goal and track progress using health/fitness indicators.
2.6.4.A.4	Determine the extent to which different factors influence personal fitness, such as heredity, training, diet, and technology.
Interdisciplinary Connections	
Standard #	Standard
5.2.4.E.2	There is always a force involved when something starts moving or changes its speed or direction of motion. A greater force can make an object move faster and farther
C:A1.4	Learn how to interact and work cooperatively in teams.
C:A1.3	Develop an awareness of personal abilities, skills, interests and motivations

Unit Enduring Understandings

RULES & SPORTSMANSHIP:

- Rules help keep you safe.
- Behaving well is as important as playing well. Be accountable for the choices you make.
- Practicing appropriate and safe behaviors while participating in and viewing games, sports, and other competitive events contributes to enjoyment of the event.

FITNESS:

- You only have one body; take care of it so that you can be your best every day.
- Appropriate types and amounts of physical activity enhance personal health and fitness is a lifetime commitment.

STRATEGY & TECHNIQUE:

- The new way is only harder for a short period of time. Just because you can't do it today, doesn't mean you won't be able to do it tomorrow.
- Your mind must know what your body is doing.
- Think before you start; a good planner knows why and when to make adjustments.
- Work at your own pace but find a way to make it happen.

LEADERSHIP & TEAMWORK:

- The job of a leader is to make everyone perform better.
- Words can motivate or aggravate.
- A team is more than a collection of individuals.
- Teamwork consists of effective communication and other interactions between team members.

Unit Essential Questions

RULES & SPORTSMANSHIP:

- How do rules help a game? How do rules change the way you play? How does following the rules help you play better?
- Are you fun to play with? How do other people see you?
- Did I do the right thing? What will I do the next time?

FITNESS:

- What does it mean to be fit (for me)?
- Why on some days do I get tired faster than on others? How do I get more energy (both in the short-term and in the long-term)?
- How did I challenge myself today?

STRATEGY & TECHNIQUE:

- Why am I doing this? (in terms of strategic choices)
- What's my plan? How is it working?
- What did I learn from playing? How do I get better? How do I reach the next level of performance?

LEADERSHIP & TEAMWORK:

- What makes a good leader?
- Does what I say affect how people play?
- What makes a good teammate?
- What makes a good team?

Objectives

Students will know:

RULES & SPORTSMANSHIP:

- Activity-specific rules, explain their importance for the safety and enjoyment of participants, and follow the
 rules during physical activity (e.g. stretches, warm-up activities, fitness stations, gymnastics, net games, floor
 hockey, kickball, T-ball, ball manipulatives (soccer), dance, ribbon sticks, spatial-awareness activities (tag
 games), manipulative skill practice, problem solving activities, partner and small group manipulatives,
 fundamental movements).
- The characteristics of good sportsmanship and demonstrate appropriate behavior as both a player and an observer during physical activity.
- Ways to handle and care for equipment safely and responsibly.

FITNESS:

- The components of health-related and skill-related fitness and identify activities that develop each component.
- The body responses associated with moderate to vigorous physical activity including sweating, a fast heart rate, and heavy breathing.
- The physical, social, and emotional benefits of regular physical activity.

STRATEGY & TECHNIQUE:

- Skill- and activity-specific vocabulary. (e.g. stretches, warm-up activities, fitness stations, gymnastics, net games, floor hockey, kickball, T-ball, ball manipulatives (soccer), dance, ribbon sticks, spatial-awareness activities (tag games), manipulative skill practice, problem solving activities, partner and small group manipulatives, fundamental movements).
- The basic movement vocabulary to describe physical activity.
- That personal and general space is used in all forms of physical activity (e.g., using the entire dance floor, position play in a sport).

- The activity-relevant body planes and parts.
- The verbal and visual cues that can be used to improve skill performance.
- The importance of proper body mechanics when performing movement skills.
- The fundamental principles of force, motion, base of support, and center of gravity as applied to physical
 activity.
- The ways to refine and increase control when performing movement skills.
- How a movement skill can be used in another movement setting.

LEADERSHIP & TEAMWORK:

- The qualities of an effective leader and a good teammate.
- The factors that lead to group success and help solve group problems.

Students will be able to:

RULES & SPORTSMANSHIP:

- Apply activity-specific rules by explaining their importance for the safety and enjoyment of participants, and following the rules during physical activity.
- Demonstrate the characteristics of good sportsmanship through appropriate behavior as both a player and an observer during physical activity.
- Demonstrate ways to handle and care for equipment safely and responsibly.

FITNESS:

- Explain that practice and being healthy contribute to safe and improved performance.
- Engage in moderate to vigorous physical activity that develops all components of fitness.
- Monitor heart rate and breathing before, during, and after exercise.

STRATEGY & TECHNIQUE:

- Demonstrate understanding of skill- and activity-specific vocabulary while engaged in the activity. (e.g. stretches, warm-up activities, fitness stations, gymnastics, net games, floor hockey, kickball, T-ball, ball manipulatives (soccer), dance, ribbon sticks, spatial-awareness activities (tag games), manipulative skill practice, problem solving activities, partner and small group manipulatives, fundamental movements).
- Demonstrate changes in time, force, and flow while moving in personal and general space at different levels, directions, ranges, and pathways.
- Explain how changes in direction, pathways, and levels can alter movement.
- Explain how changes in rhythm, tempo, beat and musical style can alter movement.
- Explain verbal and visual cues used to improve skill performance.
- Demonstrate proper body mechanics when performing movement skills.
- Perform movement skills with developmentally appropriate control in isolated settings (i.e., skill practice) and applied settings (i.e., games, sports, dance, and recreational activities).
- Respond in movement to changes in tempo, beat, rhythm, or musical style
- Correct movement errors in response to feedback.
- Differentiate when to use competitive and cooperative strategies in games, sports, and other movement activities.
- Explain and demonstrate the use of basic offensive and defensive strategies (e.g., player positioning, faking, dodging, creating open areas, and defending space).
- Show transfer of understanding by employing a movement skill learned in one activity to that in another movement setting.

LEADERSHIP & TEAMWORK:

- Demonstrate the characteristics of an effective leader and teammate when appropriate.
- Demonstrate strategies that enable team members to achieve goals.
- Promote group success by utilizing group problem-solving strategies.
- Motivate group members to work together and provide constructive feedback.
- Acknowledge the contributions of group members and choose appropriate ways to motivate them and celebrate their accomplishments.

• Demonstrate respect for the opinions and abilities of group members.
